The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area, and entrances and other areas the Association determines should be maintained in the best interest of the members, and for such other purposes as the Association deems to be in the best interest of the members.

d. For assessment purposes a Lot shall be deemed an Improved Lot when it is conveyed or transferred to an ultimate Owner as distinguished from Developer or a builder. The assessment for the year of transfer to an ultimate Owner shall be prorated on a monthly basis.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments

authorized above, the Association may levy on Improved Lots, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the members (including Developer) who are voting in person or by proxy at a meeting duly called for this purpose.

BOOK 2492 PAGE 933

Section 5. Due Dates. The annual assessment shall be due by February 1 of each year, or within 30 days of the date of mailing the assessment, whichever is later. Section 6. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 10% per annum, and shall become a lien on the Improved Lot of the Owner. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Improved Lot.

Section 7. Subordination of the Lien to Deeds of Trust. The lien of the assessments provided for herein shall be subordinate to the lien of any first Deed of Trust or mortgage. Sale or transfer of any Lot shall not effect the assessment lien. However, the sale or transfer of any Improved Lot pursuant to Deed of Trust or mortgage foreclosures or any proceeding in lieu thereof, shall extinguish the lien of such sale or transfer. No sale or transfer shall relieve such Improved Lot from liability for any assessments thereafter becoming due or from the lien thereof. The holders of the Deeds of Trust or mortgages on any Improved Lots are not required to collect assessments. Failure of the Owner to pay any assessment shall not constitute a default under the mortgage.

Section 8. Notice of Lien. Association shall be authorized to file for record in Clay County, Missouri a Notice showing the lien against the Improved Lot. Neither the Association nor any person filing said Notice shall incur any liability whatsoever for filing the

BOOK 2492 PAGE 934

Notice. Failure to file the lien Notice shall not affect the validity of the assessment of lien. The lien shall continue for five (5) years after the due date of the assessment unless suit to collect from Owner or suit to foreclose lien is commenced within said five (5) year period, in which event the lien shall continue until the suit is finalized and the property sold under execution of judgement.
